**Our regularly scheduled monthly Aug 9<sup>th</sup> meeting is cancelled.**

Our next meeting is September 13, 2007 with special guests from the National Federation of Independent Business (NFIB) invited to discuss pending statewide legislation and other political influences that affect small business and our greenhouse industry. (see below)

*The National Federation of Independent Business is the nation's leading small-business advocacy association, with offices in Washington, D.C., and all 50 state capitals. NFIB's powerful network of grassroots activists send their views directly to state and federal lawmakers through our unique member-only ballot, thus playing a critical role in supporting America's free enterprise system.*
