

Maumee Valley Growers 2007 Calendar Grower Order Form

Maumee Valley Growers will for the first time this year produce a high quality 4-color glossy calendar featuring pictures from local greenhouses, helpful tips appropriate for local gardeners, and a complete listing of all Maumee Valley Growers. This calendar will be offered at local retail outlets including Borders Books (retail price \$12.95), and is available at cost to our members.

For orders received by August 15th, cost to growers is estimated at \$2 per calendar, but depending on the volume of orders the cost may be less. Calendars will be available by September 30th, and may be paid for at that time.

You will be able to sell these calendars in your greenhouse or use them as a seasonal “thank-you” gift for your very best customers.

Please fill out the order form below and fax your order to Joe Perlaky at 419-530-3548. If you have any questions, you may call Joe at 419-356-4847.
