

Meet the Ambassadors: Ambassador: noun, an authorized representative or messenger. Who are the Maumee Valley Grower Ambassadors? The Ambassadors are five respected growers scattered around the five county area who are actively involved in the Maumee Valley Growers and know what's going on with your organization. They are people you deal with every day in the course of business so it will be easy to find out what's happening with MVG, ask a question or make a suggestion without making an additional phone call to me or Joe Perlaky. Here are the Maumee Valley Grower Ambassadors:
