The Maumee Valley Growers Association Committees & Mission Statements (updated 11-10-11)

Business Programs – Chair: Jeff Creque

(Energy, Insurance, Recycling, TBG etc.)

To maintain, review and implement programs or services that help increase member profitability either through increased sales or decreased expenses.

Bylaws – (as needed) – Chair:

To proactively review, make recommendations and implement changes (as needed) to MVGA's bylaws.

Education & Outreach/Research – Chair: Beth Fausey Scheckelhoff

Develop and promote consumer education and research programs that enhance service within the greenhouse industry.

Finance – Chair: Deb Bettinger

To provide experience guidance on budget and any other financial matters of the MVGA.

Government/Public Relations – Chair: Dick Bostdorff

Proactively review and beneficially affect the legislative and regulatory process for the greenhouse industry.

Membership – Chair: Mike Schenk

To create awareness within the greenhouse industry that demonstrates a valued participation within the MVGA organization ultimately providing long-term organizational membership growth and sustainability. In addition, to annually nominate worthy candidates to the MVGA Board of Directors.

Marketing – Chair: Jill Bench & Theresa Hoen

To develop, implement, and promote a branding program that helps members grow their businesses through increased public awareness, interest, and a general understanding of value the greenhouse industry brings to the community.

TBG – Chair: Walt Krueger/Dick Bostdorff

To grow and provide safe, superior quality, fresh, vine ripened, locally grown produce to consumers in the surrounding area. Demonstrate the economic feasibility of managing a self-sustaining year-round operation in a cold climate location.
