

Perennials. Shrubs and Trees at Rhodes Garden Fresh 2017

acanthus **mollis** bold specimen plant has shiny green leaves and lupine-like spikes of white and purple flowers

albizia j. "**Chocolate Fountain**" weeping purple foliage silk tree, small tree well adapted to smaller gardens or containers, sweetly scented, feathery pink flowers form nearly all summer

albizia j. "**Ombrella**" this mimosa tree has attractive ferny foliage (reminiscent of the sensitive plant) grows rapidly to a medium size tree, dark pink, sweetly fragrant flowers that look like fancy bird plumage, appear by July and continue til frost

alcea "**Halo Cerise**" perennial hollyhock with large cerise pink flowers with purple halo in center

alstromeria "**Inca Joli**" compact bushy plant topped with orange-red flowers

amsonia "**Storm Cloud**" new stems emerge in spring nearly black, light periwinkle blue flowers cover plant for many weeks

anemone "**Wild Swan**" blooms with white and lilac-blue flowers from late spring until frost

aquilegia "**Blue Jay**" violet-blue and white columbine

aquilegia "**Cardinal**" red and white columbine

asarum "**Europaeum**" slow spreading ginger with large shiny leaves, tolerates full shade

asarum splendens dark green arrowhead shaped leaves with striking silver markings, great groundcover for woodland garden

asclepias tuberosa 2017 perennial of the year, 3 months of tangerine orange blooms

astilbe "**Bressingham Beauty**" tall arching plumes of salmon-rose in early summer

astilbe "**Burgundy Red**" dark red scapes carry raspberry buds that open to burgundy red plumes

begonia g. "**Wildwood Premier**" YES, IT IS HARDY, large olive-green leaves with brilliant red stems and veins that show through the top of the leaf, on 15-18" plant, midsummer to fall, pink pendulous flowers dangle like earrings from the leaf axis. Still somewhat rare for whatever reason I can't understand, it is easy to grow in well drained loose soil in partial to full shade!

belamcanda "**Hello Yellow**" clumps of swordish foliage topped with bright yellow flowers

buddleia "**Little Nugget**" compact butterfly bush with bright gold foliage and 5-6" flowers of magenta-

purple

buddleia "**Prince Charming**" nice mid size butterfly bush with 10" raspberry-pink spikes

buddleia "**Queen of Hearts**" short, compact and highly floriferous, hot, magenta-red 12" flowers add a splash of color to your landscape

callicarpa "**Pearl Glam**" new beautyberry with purple foliage all season long, large violet-purple berries smother branches fall and winter

callicarpa "**Purple Pearls**" (PW) hybrid beautyberry with distinctive pink flowers and purple tinged foliage, the real show is in the fall when the masses of violet-purple berries smother the shrub

calycanthus "**Aphrodite**" large, shiny green foliage and repeat blooming red magnolia-like flowers

calycanthus "**Venus**" large magnolia-like flowers in early summer, strong sweet fragrance

campsis "**Summer Jazz Fire**" a grafted form of trumpet vine, will bloom more readily first year, can be container grown and cutback each year the flowers are tubular dragon's breath red with orange overtones, the flowering lasts for many weeks, irresistible to hummingbirds (we will have "**Fire**" as a 3' tree, hanging baskets and in nursery pots), this selection is not so aggressive as the wild varieties

campsis "**Summer Jazz Gold**" a grafted form of trumpet vine, will bloom more readily first year, can be container grown and cutback each year or used as a climbing vine, the flowers are tubular vivid yellow with red veining, flowering lasts for many weeks, irresistible to hummingbirds (we will have "**Gold**" as a 3' tree, hanging baskets and in nursery pots), this selection is not so aggressive as the wild varieties

centaurea "**Montana Blue**" fuzzy green foliage topped with bright blue butterfly magnets

ceratostigma p. "**Plumbago**" low growing plant, shiny green foliage gentian-blue flowers late summer to frost, fall foliage bright red

cercis c. "**Hearts of Gold**" a small redbud tree with lavender-purple flowers in spring, foliage emerges yellow with red tinge, then turns gold finally matures to green

cherry "**Romeo**" naturally dwarf (6'x6') fruiting cherry bush, ideal for containers or in-ground planting, heavy yields, exceptionally winter hardy

Perennials. Shrubs and Trees at Rhodes Garden Fresh 2017

Z2b+

cherry "**Juliet**" naturally dwarf (6'x6') fruiting cherry bush, ideal for containers or in-ground planting, heavy yields, exceptionally winter hardy Z2b+

cimicifuga r "**Hillside Black Beauty**" TALL, DARK AND HANDSOME in the shade garden, purple-black foliage topped with 1' spikes of blush-white flowers, VERY FRAGRANT

cimicifuga r. "**James Compton**" compact version of Hillside Black Beauty, purple foliage topped with spikes of fragrant bottlebrush flowers

clematis "**Sweet Summer Love**" fragrant purple blooms are produced by the hundreds from mid-summer thru fall, blooms on new growth, so cut it back in early spring to 12"-18"

coreopsis "**Full Moon**" long blooming plant with bright, canary-yellow blooms

coreopsis "**Hot Paprika**" threadleaf type with deep red flowers produced for several months in summer

crocasmia "**Lucifer**" brilliant flame-red flowers on wiry stems surrounded by broad sword-like leaves

crocasmia "**Prince of Orange**" vivid orange-red flowers atop clump of upright leaves

delosperma "**Fire Spinner**" bright fiery orange flowers all summer with succulent foliage

delosperma "**Golden Wonder**" hardy ice plant with large bright yellow flowers, needs full sun and excellent drainage

delosperma "**Table Mountain**" bright fuschia flowers all summer

delphinium "**Cobalt Dreams**" deep, true blue flowers with white bee on tall spires

delphinium "**Million \$ Blue**" large sturdy spikes of prominent true blue double flowers

delphinium "**Pink Punch**" broad spikes of mulberry-pink flowers on sturdy plant

dicentra s. "**Valentine**" bright red puffy flowers with white tips dangle from dark red arching stems

digitalis "**Dalmation Peach**" perennial-not-biennial with peachy pink flowers

digitalis "**Dalmation Purple**" large spikes of lilac-purple flowers [perennial-not-biennial!]

echinacea "**Adobe Orange**" intensely orange flowers on well branched plant

echinacea "**Cheyenne Spirit**"

echinacea "**Lemon Yellow**" rich yellow blooms with copper cone, blooms freely all summer

echinacea "**Purple Emperor**" compact, well branched plant smothered with large, fragrant, magenta-purple blooms

Fern "**Ostrich**" upright fronds 3' or more

fern adiantum p. "**Imbricatum**" maidenhair fern

fern athyrium "**Ghost**" tall fronds of frosted apple-green with purple stems

fern athyrium "**Godzilla**" giant Japanese painted fern (up to 3'tall)

fern dryopteris "**The King**" magnificent fern with long serrated fronds of shiny green

fern dryopteris f.m. "**Crispa Cristata**" crested male fern

gentiana "**True Blue**" 2" tubular true-blue formed all up and down plant, very reliable perennial

geranium "**Jolly Jewel Purple**" cup shaped magenta-purple flowers formed all summer

grass hakonechloa "**Aureola**" green and gold variegated foliage forms cascading clump, likes shade!

grass miscanthus "**Autumn Anthem**" dense round clump of dark green leaves, feathery cream plumes cover top 2/3 of plant, 5-5 1/2' tall

grass ophiopogon "nana" dwarf mondo grass

grass ophiopogon "negra" black mondo grass

grass panicum "**Prairie Winds Apache Rose**" a shorter switch grass with unique rose colored flowers, dense upright habit with grey-green leaves,

grass schizachyrium s. "**Smoke Signal**" refined version of native 'little bluestem' takes on scarlet red tones in late summer turning deeper red-purple in fall, maintains upright habit through fall

heath and heather collection, small shrublike evergreens with colorful foliage and flowers, require full sun, good drainage and acidic conditions, do not allow to dry out

heliopsis "**Tuscan Sun**" compact habit and good disease resistance, golden-yellow daisyish blooms on fdalse sunflower

helleborus "**Dark and Handsome**" 2 1/2"-3" black-purple double flowers

heuchera "**Black Pearl**" jet-black ruffled leaves

heuchera "**Electric Plum**" intense purple foliage with black veining

Perennials. Shrubs and Trees at Rhodes Garden Fresh 2017

heuchera "**Pretty Pistachio**" big and beautiful chartreuse leaves topped with pink flowers all summer

heuchera "**Stainless Steel**" metallic silver-green leaves with purple veins

heucherella "**Pumpkin Spice**" bronze leaves emerge in late spring and hold color well into summer

hibiscus "**Chiffon Blue**" rich blue double flowers in late summer

hibiscus "**Chiffon White**" ruffly double white flowers in late summer

hibiscus "**Midnight Marvel**" deep, wine-purple, maple-like foliage, scarlet flowers amazing combination

hibiscus "**Plum Fantasy**" lipstick-red buds open to very large vibrant magenta flowers with puckered texture, foliage carries purple tones

hibiscus "**Small Wonders**" compact hardy hibiscus with dark purple foliage and white blooms inundated with red streaks and markings, blooms for months

hibiscus "**Summer in Paradise**" full, compact plant with 7" hot cerise-red flowers produced from top to bottom
